She and Manny enjoyed traveling and sightseeing in the RV, managing the National Park Service Campground, cruising the Bahamas and retiring and moving to Lady Lake, Florida. Virginia valued her family and friends. She was often found helping orchestrate family gatherings, taking extended family vacations with Tom, Skip and Jack, visiting with Nana and families, and volunteering as a Girl Scout Leader. She enjoyed selling crafts with Marge, leading drumming classes, visiting the beach with Nancy, meeting the Red Hats with Charlotte and meeting Bridgette for a piece of pie. In her leisure time she was joining the Mug Club, catching up with longtime friends, Donnie and Sheila, creating ceramic treasures, gardening, enjoying nature, spending time with the grandkids or relaxing with their furry friend, "Pepper Dog." Family and friends were at the center of it all. She loved angels and was given the name "Angel Face" by her grandmother. Virginia never had an unkind word to say, was a tower of strength and led by example. She is loved by many and will be greatly missed by those

“ My mom, was a invaluable, a person who didn't draw attention to herself or point out her good deeds. Mom was a giver of her time, good listener, compassionate and had the ability to empathize with others. I miss her everyday, just the sound of her voice would comfort me. God granted me a strong loving mother to guide and support me as a child and as an adult when asked. I miss you each day mom you fill a place in my heart only a mother can.
