“ So Sorry to hear this Jonathan. My deepest condolences.
I grew up living next to Betty & Family home.
Betty babysat all 6 of us. Back then, all we wanted to do is run & play outside till dark.
Betty was right along with us & we all had Fun.
Later years, I would always see Jonathan & Betty shopping in Jewel. They together were real tight buddies. It was always a pleasure to see them with their smiles & laughs.
Betty & her Husband always wanted to move to Tennessee, (I believe it was) & bought land also.
She was real excited about it, & I'm sure they did.
