“ Sue, Bruce, Gary and Jean (always Mrs. Wighaman to me) - So many memories of being at the hospital while Johnny was in the coma. Sue and I running up and down the halls, playing in the elevators, sitting at his bedside on our best behavior. I can't believe how much time has passed. I remember being in awe of Johnny and his friends, they were so cool. Jean, i thank you for the care you gave Johnny for so many years, and teaching me compassion. I am sitting here crying as I recall the memories from that time. May he rest in peace. My heartfelt condolences to you all.

“ Oh Jean - I am so sorry to read about John's passing! We just spoke a few days ago and things were going along OK. John was a lovely person, always by the front desk greeting people! Aunt Shirley always had a kind word for John as we passed. Now he is in God's loving hands - free of his obstacles here on earth. I'm sure he is listening to his 50's & 60's music in heaven!! Again, so very sorry - Diane Fredericks

“ John was one of the first people I met when I came to Portage to live with my sister. He was a super nice individual who helped me navigate the halls of Portage High School. I remember fondly as he showed me around helped me find my locker. Thanks to John for being my friend may he now have blissful peace in our Fathers loving embrace, God speed to paradise where love ones wait. Your friend Karen (Hale) Hotchkiss
