Lidia was the most loving, kind, unforgettable, selfless soul. Lidia was a dedicated Mother and Wife first and foremost. She treasured her children. They were her life, light, and joy and still always referred to them even in their older age as "My babies" and lived for every moment with them. Became even more sweeter when her Grandchildren were born. She was

the one that put everyone else's needs before her own all the time. Family meant everything to her.

Lidia loved to be outside with her coffee and walking around looking at all her flowers.

She loved having some cocktails with her Virginia slim and dancing and listening to music. She loved just being with her husband John and watching movies and driving around with him and getting take out that they would eat together in the car. She always said it would remind them of their old days together when they were younger. She loved listening to the birds.

She loved to go shopping. Lidia loved having get-togethers and cook-outs with family and friends. She had the biggest sweet tooth; chocolate, candy, cake, it all. Chocolate covered peanuts and Licorice was her favorite. You could not ever be anything but Happy when you were around Lidia.

As her Husband, children, and many have said, Lidia was truly an Angel here on this Earth with us. Her beautiful, kind, and loving soul will continue to live in our hearts forever.

“ So sorry for your loss! Even though it has been many years I have great memories of your Judy, her and Ray used to take Pat Slavik and I to the movies when we were in junior high and her and Ray were just dating. Judy was a very sweet person and will always remember her smile.
