“ To the family of Tom Pomeroy.....I am a satisfied and loyal customer of Tom's. It's been awhile since I have needed his services because he always did the right fix that would last. I have a new project and was getting ready to reach out to Tom to see if he has an interest, only to just learn of his passing. Devastated to learn of this and just wanted to reach out to the family to share (and to no surprise) that Tom was a great guy that I trusted to handle my heating/air and electric. Always so friendly and helpful. So sorry for your loss. Thinking of the family.....Truly a great guy!
